**Let's see the plan for
what you can achieve**

Your Income Plan

Let's see how simple it is to create an income with the STF 2.0 System

For a three month mastermind

One client pays \$ 500 | Rs. 40,000

In a three month mastermind of 10 people

You earn \$ 5000 | Rs. 4,00,000

You can have two such masterminds running simultaneously

You double the income \$ 10,000 | Rs. 8,00,000

You can define how much income you want to make and decide how many masterminds you want to run

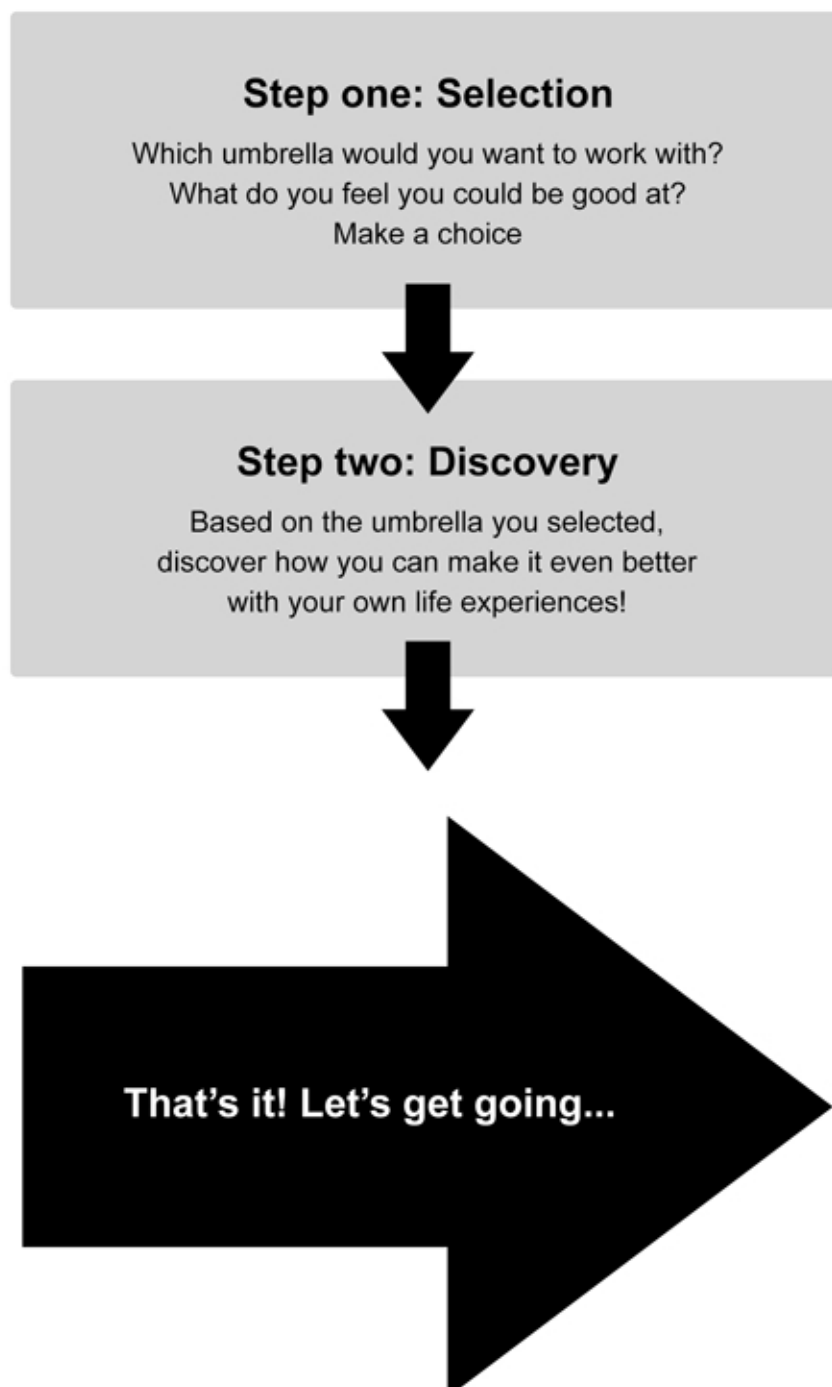

- ✓ You can have as many people in a mastermind as you'd like.
- ✓ My system will show you how these masterminds can run on an autopilot, so you can run as many as you'd like, in any part of the world!

Write down how much income you want to make & write down how many masterminds you will need to run (each with 10 people in it) to make that income.
