30 Sec each

INTRODUCTION

When you begin your first week of Masterminds, following things are must!

Member Introduction

- What do they want to achieve through the participation of the Masterminds?
- What skills/ experiences/ resources do they bring to their group?

Ground Rules

- Punctuality of the masterminds
 - Stick to the format and allow others to talk
 - Contribute to the masterminds, don't just be a spectator
 - Get everyone to agree unanimously.
-

20 Mins

THE HOUR OF DISCOVERY

Your objective is to work on today's Power Leap :

Write down at least 3 roadblocks/reasons that stops you from solving this Power Leap.
(you can write more, but write at least 3)

🙄 Roadblock 1:

🙄 Roadblock 2:

🙄 Roadblock 3:

The Incredible You Mastermind: Structure

This is the blueprint of every mastermind you'll run.

1 Hour Total

BRAIN X SESSION

This is where your mastermind starts to come up with ideas to work on this week's Power Leap

25 Mins

Group Discussion

- Each member, based on their experience and knowledge, shares ideas on how they can work on the roadblocks mentioned earlier. Write down as many ideas for each roadblock as you can.

Roadblock 1

Ideas to work on this roadblock

Roadblock 2

Ideas to work on this roadblock

Roadblock 3

Ideas to work on this roadblock

The Incredible You Mastermind: Structure

This is the blueprint of every mastermind you'll run.

1 Hour Total

BRAIN X SESSION

Now it's time to shortlist the ideas

10 Mins

Prioritize & Shortlist

- Go back to your idea page, prioritize and shortlist top 3 ideas for each roadblock. Take help of your mastermind. At the end you should end up with top 3 ideas for every roadblock.

Circle out the ideas that you shortlist

20 Mins

Action Plan

- For every idea you've shortlisted, think of a way how you can make it happen? How can you achieve that idea? Try to be as specific as you can when you think of ways of achieving these ideas.

05 Mins

Refine with accountability

- Remember, next week when you come back to the mastermind, you will share how you implemented these ways to achieve the ideas you shortlisted. Try to put as many ideas into practice as you can.

When you come the following week
Go through your this week's mastermind blueprint with your mastermind group and share your breakthroughs and achievements.

On the next page, fill out your this week's mastermind blueprint.
